
IN MEMORIAM

James L. Pendleton, M.D.
1931–2007

James L. Pendleton, M.D. passed into the spiritual world on June 7, 2007. "Jamie," as he was known to his friends, was elected to the SSA Board of Directors in 1982 and served for twenty-one years until the spring of 2003. For part of that time he was chairman of the projects committee responsible for developing and presenting to the board plans for the funding and timing of publication projects. Jamie also participated in the work of the association as a panel member for several annual meeting programs and author of several papers for *The New Philosophy*, drawing on his work as a psychiatrist and his studies of Swedenborg's scientific and theological works.

In board meetings, Jamie was a low-key but thoughtful contributor to discussions of the association's uses. We are grateful to have had the opportunity to know him and work with him.
